U12's Friendly V Blue Hornets held on Sunday 26th September

Congratulations for all those who took part on Sunday. It gave everybody the opportunity to participate in match situations against good opposition. A special thanks must go to Blue Hornets for coming a long way to make it an enjoyable morning. Our Coaches felt that it was a worthwhile opportunity to see all our players.

Over the next few weeks emphasis will be on team play and focusing on space and awareness. The next test will be at the Perse School tournament when we will select a boys U12 team and a girls U12 team. The squads will be of 9 players each. I expect competition for places to be fierce so keep practising and good luck to you all.

U14 Boys – Sunday 3rd October

The EH U14 Boys Cup game to be held at Bury St Edmunds has been cancelled due to one of the teams withdrawing. These matches will now be played at a later date.

This means that training on Sunday 3rd October will be held at the normal time 11.30-12.30.
